Hosa Pro Series Cables

Hosa Pro Series Cables are engineered to deliver years of rock-solid reliability. Combining REAN® connectors by Neutrik AG with world-class manufacturing techniques, they redefine what performance and value are all about.

Hosa Pro Guitar Cables

- 20 AWG Oxygen-Free Copper (OFC) conductor for a louder, clearer signal
- 90 % OFC braided shield for a higher signal to noise ratio
- Lithe, 6.0 mm OD jacket for kink-free performance on stage

Connectors

While most other cables in their price range use cost-cutting, molded connectors, Hosa Pro guitar cables feature REAN® connectors by Neutrik AG, the industry leader in connectivity solutions. Features include:

- Nickel-plated REAN plugs for efficient signal transfer and superior durability
- Zinc die-cast housing for rock-solid reliability
- Attractive quadrangle design for ergonomic handling
- Chuck-type strain relief for maximum cable retention
- Rubber boot kink protection for long cable life
